HAMILTON FARMERS MARKET

1837 - 1997

This year the Hamilton Farmers' Market will celebrate 160 years of tradition. We invite you to celebrate with us. The market has always been more than a place to shop. It is a meeting place - an experience - a social institution. It helps define the spirit and friendliness of Hamilton.

Upon entering Canada's largest indoor farmers' market, one is immediately taken by the down home flavour and rows of fresh produce. A stroll through the farmers' market provides a cornucopia of sights and sounds. It arouses memories and brings a joy and excitement that a trip to the supermarket can never match. *See you at the market!*

*160th Birthday
